400 mm

1200 mm

The 40×120 cm porcelain tile is a perfect combination of contemporary design, durability, and functionality. Its elongated format creates a seamless and spacious appearance, making it an excellent choice for both residential and commercial interior spaces.

Manufactured with advanced technology and high-quality materials, these tiles offer excellent resistance to moisture, stains, scratches, and daily wear. Suitable for walls and floors, the 40×120 collection provides versatile design possibilities while maintaining a refined and elegant aesthetic.
